Docket No. R2013-10

**Motion for Late Acceptance  
by the  
American Catalog Mailers Association  
(October 17, 2013)**

The American Catalog Mailers Association (ACMA) hereby moves for late acceptance of its Comments filed October 17, 2013 for the above-mentioned docket. Given the government shutdown, the Postal Service could not issue details concerning the FSS, among other matters, during the hiatus, in the Federal Register publication. While we have not had adequate time to review this material, it was made available recently via RIBBS. With uncertainty around the schedule and the hiatus of Federal Register Notices, we would request acceptance of a late filing. ACMA regrets this but believes no party will be prejudiced by its minimal delay.

Respectfully submitted,

**American Catalog Mailers Assn., Inc.**
